

# Come individuare il tipo di cassetta di risciacquo

Fate riferimento alle tabelle seguenti per individuare la cassetta di risciacquo da incasso ed effettuare la trasformazione del risciacquo. Qualora doveste avere difficoltà nel riconoscere la cassetta, suggeriamo di scattare 3 foto nelle quali siano ben visibili la placca di comando, la placca di protezione e l'interno della cassetta di risciacquo. E' possibile chiedere informazioni inviando le foto direttamente all'indirizzo e-mail: **progetti.it@geberit.com**

## Cassette di risciacquo da incasso con profondità 8 cm

Tipologia placche da sostituire e cassetta di vecchio modello	Riferimento cassetta	Trasformazione da quantità singola di risciacquo a risciacquo "Stop"
