

Introduzione

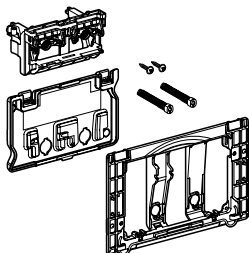

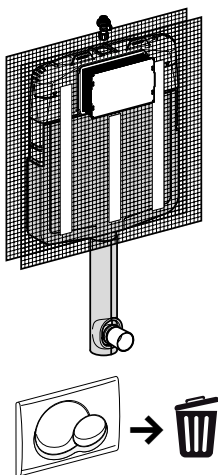

Kit adattamento per placche Sigma

Kit di adattamento per placche di comando Sigma

Nel caso in cui in bagno sia installata una vecchia cassetta Unica, art. 109.760.00.1 da 8 cm di spessore e si desiderasse sostituire la vecchia placca di comando con una nuova placca Sigma, procedete come indicato.

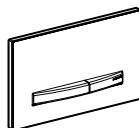

È sufficiente acquistare il **Kit di adattamento, art. 242.351.00.1** e una delle placche di comando Sigma descritte di seguito.

109.760.00.1
110.760.00.1
111.707.00.1
